300 g/m²

Details

This ergonomically designed 2-layer softshell - the B&C ID.701 Softshell /women - is breathable, water-repellent and comfortable. It has a standing collar and a longer back to keep you warm and protected against cold, wind and rain. Its contrasted colour micro-fleece inner layer (except Black and White) creates a high value perception whilst not hindering identity application.

For the perfect basic softshell duo, pair it with the B&C ID.701 Softshell.

PROTECTION

- Water repellent, breathable 2-layer softshell with standing collar to protect against cold, wind and rain.
- Forward seams on shoulder for better comfort and water repellence
- Longer hem provides additional warmth

STYLE & FIT

- 2-way stretch fabric slim fit. Cut and sew panel ensures sleek ergonomic fit and freedom of movement
- Essential contemporary look supports broad range of uses
- The B&C ID.701 Softshell is lined in a contrast colour fleece, creating a high value perception whilst not hindering identity application
- Reinforced seams with double needle topstitching for extra durability and outdoor look
- Wide colour choice will support any idea and/or identity and create strong visibility when needed

Care instructions

All our products are tested and approved using all main print techniques.
